⁽¹⁾ Standard warranty period for CAPEX Data management Suite is one year.

⁽²⁾ Unless provided to address a specific higher severity issue, updates are considered Sev 4 for the purposes of scheduling and entitlement.

⁽³⁾ Phone response time = the time from voicemail to callback.

Email response time = the time for a support engineer to review and respond as appropriate.

When contacting support, it is imperative to identify your name, the severity level of the issue and support level that you are entitled to. This will assist us in ensuring delivering the proper service level and priority.

StorCentric provides you world-class products and support to ensure your organization's success. Whether you need technical support for a quick question or assistance with how to use a feature or issue that you need help resolving, StorCentric Support Services has you covered.

When contacting StorCentric support you will be working with Certified Engineers. Because your organization never stops running, we are here for you whenever you need us. Choose the service level that fits your organization's needs and get the highest performance out of your StorCentric solution.

BASIC SERVICE
